

MICHIGAN MANHATTAN

Ingredients

1/2 oz. Leopold Bros. Michigan Tart Cherry
Liqueur
1 oz. Leopold Bros. American Small Batch
Whiskey
1 oz. Averna Amaro
2 dashes Angostura Bitters
splash of Leopold Bros. Absinthe Verte
orange peel

How to make

Fill a rocks glass with ice and add a splash of Absinthe Verte to "rinse" the glass. Add all ingredients to a tin, fill with ice, and stir until chilled. Give the Absinthe-seasoned ice a swirl and discard. Strain the cocktail into the glass. Cut a quarter-sized piece of orange peel and squeeze to release the oils onto the surface of the drink. Run the the peel around the rim, drop it in, and feel the pressures of the day fade.
