

LEOPOLD'S COOLER

Ingredients

1 1/2 oz. Leopold's American Small
Batch Gin
1/2 oz. simple syrup
1 fresh mint sprig
the juice of 1 whole lemon
club soda

How to make

Smack the mint leaf between your palms to release the mint oils and gently muddle it in a mixing tin. Add lemon juice, simple syrup, and Leopold's Gin. Then add ice. Shake and strain into an ice-filled hi-ball glass and top with soda. Smack another mint leaf and place it on top as a garnish.
